

Add Benchmark

The screenshot shows the 'Add Benchmark' form in the Eden Suite 3.0 application. The form includes three input fields: 'Benchmark Type *', 'Benchmark Name *', and 'Benchmark Total *'. Below these fields are 'Save' and 'Clear' buttons. The 'Admin' menu is open, showing a list of options: MOG, MOG Reasons, Exchange Mapping, Classification Administration, DM Template Upload, Master Activities, Devices with Estimates Only, RAD Calculation, Add Benchmark (highlighted), Find Benchmark, Add Performance Profile, and Find Performance Profile. A callout box points to the 'Add Benchmark' menu item.

Find Benchmark

The screenshot displays the Eden Suite 3.0 Admin interface. At the top, there is a navigation bar with tabs for Dashboard, Data Management, My Portfolios, Reports, and Admin. The Admin tab is selected, and a dropdown menu is open, listing various administrative functions. The 'Find Benchmark' option is highlighted in the menu. Below the navigation bar, the breadcrumb 'Admin / Find Benchmark' is visible. The main content area features a 'Find Benchmark' section with a text input field labeled 'Benchmark Type *' and two buttons, 'Find' and 'Clear'. A pink callout box points to the 'Find Benchmark' menu item with the text: 'Log in to Eden Suite 3.0 and select 'Find Benchmark' from the 'Admin' menu'.
