

Actuals / Benchmark – Asset Report

The screenshot displays the eden SUITE interface. The top navigation bar includes 'Dashboard', 'Data Management', 'My Portfolios', 'Reports', and 'Admin'. The 'Reports' tab is active, and a dropdown menu is open, listing various report types. The main content area shows the 'Actuals / Benchmark - Asset Report' page with fields for 'Asset Hierarchy *', 'Activity Indicator*', 'Effective Month*', and 'Benchmark'. A 'Generate' button is visible below these fields. A callout box points to the 'Actuals / Benchmark - Asset' option in the dropdown menu.

Actuals / Benchmark – Organisation Report

The screenshot displays the eden SUITE interface. At the top, there is a navigation bar with tabs for 'Dashboard', 'Data Management', 'My Portfolios', 'Reports', and 'Admin'. The 'Reports' tab is selected. Below the navigation bar, the breadcrumb path reads 'Reports / Actuals / Benchmark - Organisation'. The main content area is titled 'Actuals / Benchmark - Organisation Report' and contains four sections: 'Organisation Hierarchy *', 'Activity Indicator *', 'Effective Month *', and 'Benchmark'. Each section has a corresponding input field. A 'Generate' button is located below the input fields. A dropdown menu is open over the 'Reports' tab, listing various report options. The option 'Actuals / Benchmark - Organisation' is highlighted in red. A pink callout box points to this option with the text: 'Log in to Eden Suite 3.0 and select 'Actuals / Benchmark - Organisation' from the 'Reports' menu'.

Usage Benchmark Report

The screenshot displays the eden SUITE web application interface. At the top, there is a navigation bar with tabs for 'Dashboard', 'Data Management', 'My Portfolios', 'Reports', and 'Admin'. The 'Reports' tab is active, and a dropdown menu is open, listing various report types. The 'Usage Benchmark Report' option is highlighted in dark grey. A pink callout box points to this option with the text: 'Log in to Eden Suite 3.0 and select 'Usage Benchmark Report' from the 'Reports' menu'. Below the navigation bar, the breadcrumb 'Reports / Usage Benchmark Report' is visible. The main content area has a header 'Usage Benchmark Report' and two input fields: 'Benchmark Type *' and 'Benchmark(s) *'. The 'Benchmark(s) *' field has a 'Popular' button. At the bottom, there is a 'Data Month Range *' section with two date pickers (format: 'MMMMM yyyy') and a 'to' separator. Below the date pickers are 'Generate' and 'Clear' buttons.

Usage Benchmark Report

The parameters section is hidden (click on the 'Usage Benchmark Report' banner to display)

A chart is displayed with a line plotting the value (as a series) for each selected Benchmark.

An additional line displays the normalised monthly usage for the selected Activity Indicator across the selected month range.

The usage data is for organisations of the selected organisation type, or all assets of the selected asset type (meeting the criteria for normalised usage data).
