

Add Performance Profile

The screenshot shows the 'Add Performance Profile' form in the Edensuite 3.0 Admin interface. The form includes the following fields:

- Performance Profile Type ***: An empty text input field.
- Month Range ***: A text input field containing the placeholder text 'MMMMM yyyy'.
- Performance Profile Name ***: An empty text input field.
- Target ***: An empty text input field.
- Approved Growth ***: An empty text input field.

At the bottom of the form are two buttons: **Save** and **Clear**.

The **Admin** menu is open, showing the following options:

- MOG
- MOG Reasons
- Exchange Mapping
- Classification Administration
- DM Template Upload
- Master Activities
- Devices with Estimates Only
- RAD Calculation
- Add Benchmark
- Find Benchmark
- Add Performance Profile** (highlighted)
- Find Performance Profile

A callout box on the right side of the menu says: "Log in to Edensuite 3.0 and select 'Add Performance Profile' from the 'Admin' menu".

Find Performance Profile

The screenshot shows the Eden Suite Admin interface. The top navigation bar includes 'Dashboard', 'Data Management', 'My Portfolios', 'Reports', and 'Admin'. The 'Admin' menu is open, displaying a list of options: 'MOG', 'MOG Reasons', 'Exchange Mapping', 'Classification Administration', 'DM Template Upload', 'Master Activities', 'Devices with Estimates Only', 'RAD Calculation', 'Add Benchmark', 'Find Benchmark', 'Add Performance Profile', and 'Find Performance Profile'. The 'Find Performance Profile' option is highlighted. Below the menu, the 'Find Performance Profile' page is visible, featuring a form with 'Performance Profile Type *' and 'Month Range *' fields, and 'Find' and 'Clear' buttons.

Log in to Eden Suite 3.0 and select 'Find Performance Profile' from the 'Admin' menu
