

Data Analysis – Organisation Portfolio

The screenshot displays the 'Manage Organisations' page within the eden SUITE. The left sidebar contains a navigation menu with the following items: Dashboard, Data Management, My Tenancy, Manage Assets, Add Asset +, Manage Organisations (highlighted in red), Add Organisation +, Manage Hierarchies, Reports, and Admin. The main content area is titled 'Manage Organisations' and includes a sub-header: 'Select search criteria to find organisations. Click on Options to select additional filtering options'. Below this, there are three search fields: 'Organisation ID', 'Organisation Type', and 'Related Asset', each with a clear 'x' button. A fourth field, 'Organisation Name (partial match)', is also present. An 'Options' button with a dropdown arrow is located below the search fields. Under the 'Options' section, there are checkboxes for 'Organisation Status': 'Active' (checked), 'Inactive', and 'Retired'. A 'Sort by' section shows 'Organisation Name' selected from a dropdown, with 'Ascending' selected from another dropdown. At the bottom right of the search area are 'Search' and 'Clear' buttons. Two callout boxes are present: one pointing to the 'Manage Organisations' menu item in the sidebar, stating 'Select 'Manage Organisations' from the My Tenancy menu.', and another pointing to the search fields, stating 'Complete as many fields as possible to refine the search'.
